Project overview

Frenchman's Bay is a collection of sophisticated, contemporary townhomes and detached singles nestled in a well-established, family-friendly neighbourhood. A great location at Pickering Town Centre near Highway 401.

Housing amenities

Exteriors boast contemporary facades of brick, stone and stucco. The community has an architecturally-designed streetscape with coordinated exterior coloured schemes. There's single- and double-car garages at grade and a covered porch with double door entry.

Location and transit

The building is located on the southern end of Liverpool Road near the waterfront. An enclosed pedestrian bridge connects Pickering Town Centre to the Pickering GO Station, a major transit hub, with all-day train service on the Lakeshore East line.

In the neighbourhood

Frenchman's Bay offers a superb range of natural, recreational, heritage, arts and cultural attractions for residents and visitors. Nearby, Pickering Town Centre offers
